

Installation and Service Instructions

Parts List

1. Surface Mount Mounting Hardware
2. 2x Surface Mount
3. 2x Fixture Connector
4. 2x LED Linear Fixture

Figure 1

Pre-Installation Instruction

1. Remove all contents from packaging and ensure all listed parts are present (Fig. 1).
2. Locate detailed screws on both linear fixtures (Fig. 2) and remove screws.
3. Place the fixture connector to line up with mounting holes, and secure in place with the screws you have removed (Fig. 3)
4. Set to desired angle before fully tightening.
5. If desired, attach a safety chain to the outside fixture hole for added protection (Fig. 3).
